■ Product Catalogue

Our company's customers sell all over the world, with more than 200+ partners, and the products are strictly inspected before leaving the factory to ensure that the product quality is correct.

■ Catalogue

1 ■ Factory Introduction

More than 20 years of production experience
One-stop production

2 ■ Certificate Display

Strict CE certification, GTS certification.
Excellent quality support inspection

3 ■ Product Introduction

Source Factory Focus on the production of various wire mesh products, corner mesh, glass fiber mesh cloth, self-adhesive tape

4 ■ Corporate Services

24-hour customer service online, pre-sales professional answers, after-sales guarantee services

CERTIFICATE DISPLAY

Strict ce certification, gts certification. Excellent quality support inspection

OUR PRODUCTS

Fiberglass Mesh

- **Moisture-proof Crack-proof**
  - High strength, high modulus, light weight
- **Mcompression And Tensile Resistance**
  - Good chemical stability. Resistant to alkali, acid, water, cement corrosion, and other chemical corrosion
- **The Grid Is Uniform**
  - Good dimensional stability, stiffness, flatness, not easy to shrink and deform, good positioning
- **The Edges Are Neat**
  - Good toughness. Good impact resistance, fire prevention, heat preservation, sound insulation, insulation

OUR PRODUCTS

Fiberglass Mesh Application

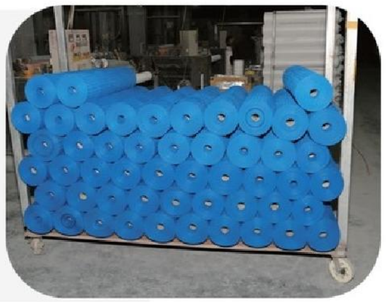

External wall insulation material of building, high tensile strength,event the change of wall caused by temperature mutation,enhance the external wall.

OUR PRODUCTS

Packing and shipping

Shrink Film For Each Roll

One roll one plastic bag, then 4 or 6 rolls put into one carton.

One roll one plastic bag, then 2 rolls put into one woven bag.

OUR PRODUCTS

Fiberglass Mesh Tape

- **High Self-adhesiveness**

  Excellent alkali resistance, high tensile resistance and deformation resistance

- **Superior Conformability**

  The surface is smooth, simple and convenient, and easy to construct and operate

- **Strong Spatial Stability**

  Excellent self-adhesion, can ensure one year of quality, good conformability

OUR PRODUCTS

Corner Bead With Fiberglass Mesh

Reduce construction efficiency and strong anti-collision ability	**Corrosion-resistant**
Solve the problem of unstraight cornersEnhance the impact resistance of the corners	**Impact-resistant**
Reduce engineering costs and shorten construction periods	**Anti-aging**
