

# HDPE PORTABLE TOILET

TO MAKE LIFE MORE ENJOYABLE AND SUSTAINABLE

CGCH is a technology and innovation-based enterprise specializing in R&D, design, production and sales of environmentally friendly plastic portable toilets.

— CGCH toilet, making a better life! —

# HDPE Seated Portable Toilet

## CGCH-H01

- With rotomolding technology, totally different from injection toilets in quality.
- Water tank is 160L and waste tank is 400L.  
Very easy to install, only screw and wrench needed.
- One unit can be finished within 30mins by 2 people and installation instructions also provided.

# HDPE Portable Squat Toilet

## CGCH-H02

- CGCH-H02 has three tanks: flush tank, waste tank and hand wash sink.
- Unique structure of the base combines flush tank and waste tank to save space.
- Hand wash sink can be used separately. Without it, toilet also can be flushed.
- The water after washing hands can be stored in the flush tank. It realizes water recycling use and reduces the sewage discharge greatly.
